

The Aims of the Association are

- To form a non-profit making association of owners, past and present
- To further the enjoyment of the classic clinker craft, especially those built by the Essex firm of Dauntless and Sea King Boat Builders
- To bring together interested parties, owners and previous owners of these craft for the mutual benefit of all
- To produce 2 news letters per year and mail to all Association members
- To arrange meetings and rallies where feasible
- To archive and supply each member, building details and a history of their craft, (where possible)
- To compile a database of the histories of the Dauntless and Sea King class of boats.
- To be a focal point to enable members to share experiences, advice and guidance to members in aspects of maintaining their craft in the best possible condition.
